1 09.14-09.20/2015

Origins general

- Play with parameters of the new folding model, so that proper folding is restored
- Maybe play with k_f from Geoff's/Kings' paper. To restore foldability
- Keep old model of folding
- Only cu-off aggregation. But for the both folding models.
- Look at Geoff's paper for folding model, argumentation
- Mention Sergei's new paper in j chem phys
- Write about hydrothermal vents into my Wiki.

AL Origins

- 1.

Pdmmod

1. Go through the things, which we need to do, revise plan

2 09.21-09.27/2015**Origins general**

- 1.

AL Origins

1. Read Jewish Cornell Guy paper

Pdmmod

- 1.

3 09.28-10.11/2015**Origins general**

1. Look at complexity e.g. Abel2005 and stuff John talked about
2. Look at Woese and Nigel Goldenfeld in PNAS 2006

AL Origins

1. Read Arrogant Guy paper

4 10.12-11.11/2015**AL Origins**
